About Dufftown and District Community Association

Who we are

The DDCA are a Scottish Charity, comprising of members and trustees. The charity governing document is the constitution. This document sets out who we are and how we operate, along with our charitable purposes.

The DDCA was founded in 1995 and has grown to encompass a variety of responsibilities within the area.

The DDCA seeks to achieve the following purposes:

- The Advancement of citizenship or community development
- The provision of recreational facilities, or the organisation of recreational activities with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.
- The prevention or relief of poverty in the community of Dufftown and District.

What we do

Trustees are appointed by members to be accountable for the operation of the charity. The trustees meet regularly and advance the charities activities through the powers conveyed upon them in the constitution.

The DDCA operate six sub-groups to structure our activities, this affords a level of delegated autonomy to the trustees and members active in these areas.

The trustees conduct consultations to ascertain the needs of Dufftown and District and they plan community development to meet these needs. The trustees act on many topics as they arise, such as liaising on the community benefit funds of wind farms in the area.

The trustees typically meet monthly with an agile approach to meetings, sometimes using online video conferencing and team working tools.

How we do it

The DDCA is reliant upon volunteers to manage the charity and complete activities aligned to it's charitable purpose. Without volunteers, the DDCA would not exist.

We currently have one full-time employee. This is a two-year funded post from 2022 to 2024. The remit of our Community Development Leader is to increase the financial sustainability of the organisation and run the day-to-day operations.

The DDCA will seek to recruit more members and have recently changed the constitution to allow for Junior Members, Associate Members and Co-opted Trustees.
